ABOUT US

At Altra Waves Solutions, we specialize in providing cutting-edge RFID and AI-driven technology solutions for the retail industry

Driven by innovation, we are committed to helping retail businesses stay ahead by offering reliable, scalable, and secure technology that transforms the way they manage their inventory, protect their assets, and grow their operations.
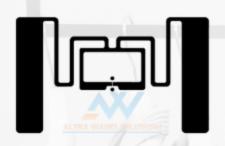

OUR MISSION

Our mission at Altra Waves Solutions is to redefine technological possibilities through innovation and exceptional software solutions. We are dedicated to creating value for our clients, empowering businesses to thrive in an ever-evolving digital landscape.

SOLUTION INSIGHTS

Enhance garment and retail management with RFID for real-time tracking, inventory accuracy, and seamless checkout. Boost efficiency, reduce shrinkage, and improve customer experience with automated stock replenishment and fast, hassle-free audits.

Our Product Range

AWSGT01 RFID Label Tags

Ultra-Thin & Flexible Design
Fast & Accurate RFID Scanning
Durable & Wash-Resistant Material
Customizable Printing & Encoding

AWSGT02 RFID Reusable Pin Tags

Durable & Reusable Design
Secure Pin-Based Attachment
Fast & Accurate RFID Reading
Customizable Encoding & Branding

AWSPR01 RFID Printer

High-Resolution RFID Encoding & Printing
Fast & Efficient Printing Speed
Durable & Reliable Performance
User-Friendly Interface & Operation

AWSHH01 RFID Handheld Device

Long-Range RFID Scanning
High-Speed Data Processing
Built-in Barcode Scanner, GSM, Camera
10,000mAh Battery

Our Product Range

AWSSK01 RFID Self Service Kiosk

Automated & Fast Self-Checkout
Multi-Tag RFID Scanning for Quick Billing
User-Friendly Touchscreen Interface
Seamless Integration with POS & ERP Systems

AWSBS01 RFID Billing Box

Fast & Accurate RFID Billing
Multi-Item Simultaneous Scanning
Compact & Space-Saving Design
Seamless Integration with POS & ERP

AWSBS03 RFID Billing Station

Automated Item Detection & Billing
Wireless Data Sync with Central Database
High-Speed RFID Tag Scanning
Integrated Payment Processing

AWSSH01 RFID Smart Trial Room

High-Performance RFID Signal Coverage
Intelligent RFID-Based Garment Detection
Interactive Touchscreen for Virtual Assistance
Seamless Integration with Inventory & POS
Enhanced Customer Experience & Security

Our Product Range

AWSATS01 RFID Anti Theft Gate

Real-Time Theft Detection
Integrated Alarm System for Unauthorized Access
Adjustable Sensitivity Levels for Precision
Sleek & Modern Design

AWSJT04 AM/RF Reusable Tags

Dual-Mode AM/RF Technology for Versatility
Reusable & Durable Design
High-Performance Scanning &Accurate Tracking
Customizable Encoding & Branding Options

AWSATS02 AM/RF Anti Theft Gate

High-Speed Tag Detection
Low Interference for Accurate Scanning
Remote Monitoring & Control for Centralized
Management
